The Official Newsletter of KMCT College of Engineering

OCTOBER 2025

Experience the Expertise

VISION

Transform students into skilled and competent professionals in engineering and management fields

MISSION

- To deliver quality education by harnessing proficient faculty and state of the art facilities to serve the society and industry.
- To transmute students as leaders and entrepreneurs by strengthening their professional and ethical standards.
- To engage students in skill acquisition, research, and industry-institute collaboration to face the emerging challenges.

About KMCTCOE

KMCT College of Engineering, established in 2001 by the Kunhitharuvai Memorial Charitable Trust in Kozhikode, Kerala, is affiliated with AICTE and currently with APJ Abdul Kalam Technological University since 2015. The institution offers seven B.Tech programs and three postgraduate courses - MBA, MCA, and M.Tech. With a professional and supportive environment, the college fosters academic excellence through experienced faculty and a career-focused approach. Under the leadership of Dr. K. Moidu, the KMCT group manages several esteemed institutions across medical, technical, and allied health sciences.

Civil Engineering Association Inauguration & Core Committee Formation 2025–26

The Department of Civil Engineering, KMCT College of Engineering, successfully inaugurated its Civil Engineering Association for the academic year 2025–26 on 4 October 2025 at the APJ Abdul Kalam Hall. The programme marked the formal launch of departmental activities and student-led initiatives for the year. The event was graced by Dr. Anil Kumar Dash, Assistant Professor, Department of Civil Engineering, NIT Calicut, and Mr. Hisham Sharaf K K, BIM Coordinator and Founder of BIM Professionals, as Chief Guests. The inauguration was followed by an insightful expert session and BIM orientation, providing students with valuable exposure to industry practices and emerging trends in civil engineering.

As part of the programme, the CIVISCA Core Committee 2025–26 was officially introduced, with faculty coordinators and student office bearers assuming responsibility for leading academic, technical, and co-curricular activities of the department. The formation of the core committee reflects the department's commitment to fostering leadership, teamwork, and professional growth among students. The programme concluded with technical and cultural activities, making the event a meaningful and motivating start to the year's association activities.

PTA Executive Committee Meeting 2025–26

The PTA Executive Committee meeting of KMCT College of Engineering was successfully conducted on 4th October 2025. The gathering was warmly welcomed by Ms. Ranjana, Assistant Professor, CSE, Executive Committee Member. The meeting was presided over by Dr. Kavitha S. Murugesan, Principal and President of PTA, who addressed the gathering and highlighted the vital role of active PTA participation in strengthening the academic and co-curricular environment of the institution. Mr. Vinod Kumar, Vice President, PTA, appreciated the collaborative efforts of faculty members and parents in maintaining effective communication and supporting student development. Dr. K. Kalaiselvan, Secretary, PTA, presented the report on previous year activities along with the financial summary. As a gesture of appreciation, mementos were distributed to the parents of outgoing students of the 2021 batch for their continuous support and involvement in their wards' academic journey.

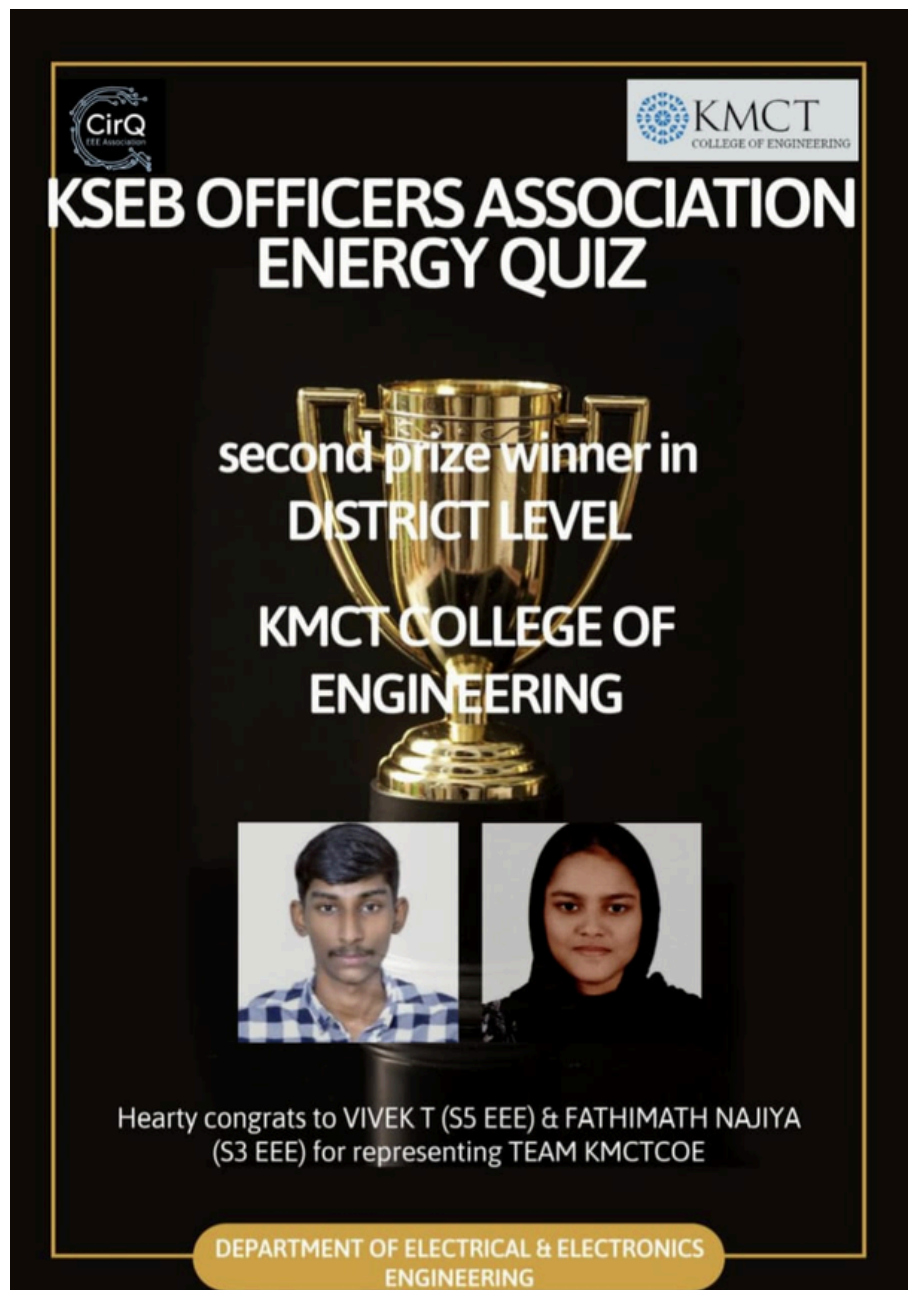

The newly appointed PTA Executive Committee members, including the Vice President and Joint Secretary for the current year, were introduced. The committee also discussed plans and requirements for the 2025–26 academic year, focusing on infrastructure improvements, student welfare, and academic initiatives. Valuable suggestions from parents and staff were noted for future action. The meeting concluded with a vote of thanks proposed by Ms. Anjana M.P., Assistant Professor, PTA Executive Committee Member, expressing gratitude to all dignitaries, faculty members, and parents for their active participation. The session was adjourned at 12:30 PM with mutual consent.

Second Prize at District-Level Energy Quiz

Students of the Department of Electrical & Electronics Engineering, KMCT College of Engineering, achieved a remarkable accomplishment by securing Second Prize at the District-Level KSEB Officers Association Energy Quiz. Vivek T (S5 EEE) and Fathimath Najiya (S3 EEE) proudly represented Team KMCTCE, demonstrating excellent knowledge and analytical skills in the field of energy and electrical systems.

Their achievement reflects the department's commitment to academic excellence and student engagement in technical competitions. The institution congratulates the winners for bringing laurels to KMCT College of Engineering.

MBA/MCA Convocation Ceremony 2025

The KMCT School of Business organized the MBA/MCA Passing-out Ceremony 2025 on 14th October 2025 at the Main Stage, KMCT School of Business Campus, to celebrate the successful completion of the academic journey of the graduating MBA and MCA students. The programme began with a prayer, followed by the Welcome Address delivered by Dr. N. K. Shamla, Dean, KMCT School of Business. The Presidential Address

was given by Dr. Kavitha S. Murugesan, Principal, KMCT College of Engineering, who congratulated the graduates and motivated them to pursue excellence with integrity and dedication.

The event was inaugurated through the Lighting of the Lamp in the presence of the Chief Guest and dignitaries. The Keynote Address was delivered by Dr. Sunu Sundaran K. T., Vice Principal, KMCT College of Engineering, emphasizing leadership, innovation, and adaptability in the modern professional world.

The Inaugural Address was presented by Shri. Rajagopalan V., Former Controller of Examinations, University of Calicut, inspiring students to embrace lifelong learning. The Awarding of Certificates to graduates by the Chief Guest marked a proud and emotional moment for students and parents alike. An Oath-taking Ceremony was administered by Dr. Kavitha S. Murugesan, Principal, instilling ethical and professional values among the graduates. Felicitations were offered by Ms. Athulya Prabhakaran, Assistant Professor, MCA, KMCT School of Business.

The programme concluded with the Vote of Thanks proposed by Dr. Shyni P., Associate Professor, KMCT School of Business, followed by the National Anthem. The ceremony ended with a photo session and lunch, leaving behind cherished memories for the graduating batch.

MBA/MCA Convocation Ceremony 2025

ESPERANZA 2025 – National Level Management Meet

KMCT School of Business organized the National Level Management Meet Esperanza 2K25 on 15th October 2025 at the Main Stage, KMCT School of Business Campus. The event brought together students, academicians, and industry professionals for a vibrant platform of learning, interaction, and managerial excellence. The inaugural function began with a prayer, followed by a warm welcome address by Mr. Hareesh H.G., Programme Coordinator, Esperanza 2K25. The Presidential Address was delivered by Mr. Shibu M. K., General Manager, KMCT Group of Institutions, who highlighted the importance of nurturing leadership and innovation among young management professionals.

The Keynote Address was given by Dr. Kavitha S. Murugesan, Principal, KMCT College of Engineering, emphasizing the role of management education in shaping future-ready professionals. The formal inauguration was marked by the lighting of the ceremonial lamp by the Chief Guest, Guest of Honour, and dignitaries. The Inaugural Address was delivered by Mrs. Uthara Ramakrishnan, Founder and Managing Director, Artha Financial Services, the Chief Guest of the day, who shared valuable insights on financial literacy, entrepreneurship, and career growth. Felicitations were offered by Dr. Sunu Surendran, Vice Principal, KMCT College of Engineering, and Dr. N. K. Shamla, Dean, KMCT School of Business. The event concluded with a vote of thanks by Mr. Vameesh C.M., Student Coordinator, Esperanza 2K25, expressing gratitude to all dignitaries, faculty members, students, and participants. The inauguration set an inspiring tone for the successful conduct of Esperanza 2K25.

KMCT College Engages with State Skill Gap Initiative

KMCT College actively participated in the Government of Kerala's initiative to bridge the gap between education and employment. Led by Higher Education Minister Dr. R. Bindu, the programme aims to transform Kerala into a knowledge society by aligning academic learning with industry requirements and future job opportunities. The Minister emphasized that while Kerala has made great progress in literacy, gender equality and social justice, the rapidly changing job market driven by artificial intelligence, data science and emerging technologies demands reforms in education to enhance student employability through practical exposure and industry collaboration.

The programme focuses on strengthening academic–industry connections through initiatives such as Industry on Campus and Connect Career to Campus, promoting entrepreneurship and incubator development. It also encourages experiential learning through internships, research projects and certifications, along with skill development programmes in areas like analytics, cybersecurity and advanced technologies. Special attention is given to improving employability and employership, motivating students to become both job seekers and job creators.

Participation in this initiative reflects KMCT College's commitment to improving curriculum relevance, quality education and holistic student development in line with state and national priorities.

AAJAH -Freshers Day Celebration

KMCT College of Engineering organized AAJAH – Freshers’ Day Celebration 2025 on 16 October 2025 in front of the KMCT School of Business campus. The event was conducted to warmly welcome the newly admitted students and help them feel comfortable and connected to the college community. The programme began with an inaugural session in the presence of Principal Dr. Kavitha S. Murugesan, Vice Principal Dr. Sunu Surendran, Heads of Departments, faculty members, and student representatives. The Principal inaugurated the event and delivered an inspiring address, encouraging freshers to pursue academic excellence, participate in co-curricular activities, and make the most of campus opportunities. A prize distribution ceremony was also held to honour academic achievers of the previous year, motivating the new batch to strive for excellence.

The celebration continued with vibrant cultural performances, including dance, music, and skits, showcasing student talents and creating an energetic atmosphere. A special music performance by Febin Haneef and team was a major highlight of the event, drawing enthusiastic participation from the audience.

Overall, the Freshers’ Day celebration successfully created a joyful and welcoming environment, helping new students begin their academic journey with confidence, enthusiasm, and a sense of belonging to the KMCT family.

Freshers' Day 2025 – Photo Highlights

Placement Grooming and Communication Skills Training Programme

The Training and Placement Cell of KMCT College of Engineering successfully organized a three-day interactive training programme on “Placement Grooming and Communication Skills” from 13 to 15 October 2025 at the APJ Abdul Kalam Hall. The programme was conducted by a certified ASAP (Additional Skill Acquisition Programme) trainer under the initiatives of Vijnanakeralam and K-DISC (Kerala Development and Innovation Strategic Council). The sessions focused on developing essential employability skills such as effective communication, professional etiquette, résumé preparation, interview skills, confidence building, group discussions and mock interviews. Through interactive activities and practical exercises, students gained valuable insights into workplace expectations and professional behaviour. The programme witnessed active participation and proved to be highly beneficial in strengthening students’ placement readiness

The poster features the logos of KMCT College of Engineering, Vijnanakeralam, K-DISC, and ASAP. The text reads: "TRAINING AND PLACEMENT CELL KMCT CE", "An Interactive Session on PLACEMENT GROOMING AND COMMUNICATION SKILLS", "13,14,15 OCTOBER 2025", "9:00 AM TO 4:00 PM", and "APJ ABDUL KALAM HALL". At the bottom is a photograph of the KMCT College of Engineering building.

Poster Making Competition – Say No to Drugs

As part of the college's ongoing commitment to promoting a healthy and safe campus environment, KMCT College of Engineering organized a Poster Making Competition on the theme "Say No to Drugs – Drug-Free Campus." The competition invited students to express their ideas creatively through art and design, spreading awareness about the harmful effects of drug abuse and the importance of making responsible life choices. Participants showcased their creativity and social responsibility by designing impactful posters that conveyed strong anti-drug messages. The initiative aimed to encourage students to become ambassadors of positive change and to foster a culture of awareness and wellbeing within the campus community. Such activities reflect the institution's dedication to nurturing socially conscious and responsible learners.

Student Achievements at TATHVA '25 – NIT Calicut

Students of KMCT College of Engineering actively participated in various technical sessions conducted as part of **TATHVA '25**, the annual technical festival organized by the National Institute of Technology (NIT), Calicut, during 24th–26th October 2025.

- **Muhammed Ayman Fahham T** participated in the **Graphic Design Workshop**, gaining hands-on exposure to creative design techniques and visual communication tools.
- **Anshifumair** attended the **Data Analytics and Power BI Workshop**, where he explored data visualization, analytical tools, and practical applications of business intelligence.
- **Afsiyafathima** took part in the **“Sensors and Circuits”** Lecture Session, enhancing her understanding of sensor technologies and circuit design concepts.

Their participation in these diverse workshops and technical sessions reflects the students' enthusiasm to expand their knowledge beyond the classroom and engage with advanced learning opportunities at premier institutions. Such initiatives contribute significantly to strengthening technical competence, innovation skills, and overall professional development.

Two-Day Workshop on Financial Literacy and Stock Market Investments

The KMCT School of Business, in association with the Finance Club ARTHA, organized a two-day workshop on Financial Literacy and Stock Market Investments on 24th and 25th October 2025 at the Seminar Hall. The programme was led by Dr. Jubair T, SEBI & NISM Empanelled Securities Market Trainer, who provided participants with comprehensive insights into financial planning, stock market fundamentals, investment strategies, and career opportunities in the securities market.

The workshop offered practical lessons on market operations and real-time investment approaches, enhancing students' understanding of financial decision-making and wealth management. E-certificates were issued to all participants by NISM. The initiative aimed to build financial awareness and equip students with essential skills for informed investment and economic independence.

TWO DAY WORKSHOP ON FINANCIAL LITERACY & STOCK MARKET INVESTMENTS

- Comprehensive Financial literacy programme
- Practical lessons on stock market investment
- Career Opportunities in Securities Market
- E-Certificate to the participants by NISM

Webinar on Secure AI as Part of Cyber Security Awareness Month

The Department of Computer Science and Engineering organized a webinar titled “Secure AI as Part of October Cyber Security Awareness Month” on 22 October 2025 through the Zoom platform. The session was initiated by TechByHeart in collaboration with CLICK and CLUSTRA, aiming to create awareness on the growing importance of securing Artificial Intelligence systems in today’s digital environment. The webinar was conducted in association with KMCT College of Engineering, KMCT College of Engineering for Women, and Dhanalakshmi Srinivasan Engineering College, ensuring wide participation from students and faculty members. The event focused on emerging AI security challenges, real-world vulnerabilities in intelligent systems, and the need for integrating cybersecurity measures into AI development. The session provided participants with valuable insights into secure AI frameworks, ethical AI governance, and practical approaches to safeguard machine learning models. Around 100 participants, including final-year B.Tech CSE students and faculty members, actively attended the programme. The event successfully enhanced awareness on cybersecurity in AI, encouraged interest in security-focused research, and strengthened academic collaboration among the participating institutions. The webinar concluded with positive feedback from attendees, marking another meaningful step towards promoting cybersecurity awareness and responsible innovation in AI technologies.

Ms. Anju C R Delivers Webinar on Artificial Intelligence in Education

Ms. Anju C R, Head of the Department of Information Technology, KMCT College of Engineering, served as a resource person for the webinar titled "Introduction to Artificial Intelligence and Its Role in Modern Education", organized by Little Kites (IT Club), Republican VHSS, Konni, on 22 October 2025. The session focused on introducing the fundamental concepts of Artificial Intelligence and explained how AI can support innovative teaching methods, digital learning environments and improved student engagement in today's classrooms. The webinar was well received by participants and contributed to creating awareness about the importance of emerging technologies in the education sector.

Faculty Participation in FDP on AI and NBA Documentation

Ms. Anju C. R., Assistant Professor, Department of Information Technology, KMCT College of Engineering, actively participated in two significant Faculty Development Programmes aimed at enhancing academic quality and institutional practices. She attended the FDP on “Empowering NBA Documentation with AI (Smart Tools for Smarter Accreditation)”, organized by Government Polytechnic, Kamalapuram, on 26th October 2025, which focused on leveraging artificial intelligence for effective NBA documentation and accreditation processes. In addition, she successfully completed the AICTE Training and Learning (ATAL) Academy FDP on “AI in Action”, conducted at AWH Engineering College from 15th to 20th September 2025. This programme emphasized practical applications of Artificial Intelligence in teaching, learning, and research. Her participation in these programmes reflects her commitment to continuous professional development, adoption of emerging technologies, and contribution towards improving academic standards and accreditation readiness of the institution.

Ms. Anju C.R

Participation in Faculty Development Program

Ms. Ranjana C participated in an Artificial Intelligence and Machine Learning (AI & ML) Workshop conducted as part of TATHWA, the annual techno-management festival of National Institute of Technology (NIT) Calicut. The workshop provided hands-on exposure to emerging concepts and applications of AI and ML, highlighting their significance in modern engineering and research domains. The program enhanced practical understanding of intelligent systems and recent technological trends, contributing to professional development and strengthening academic and research capabilities.

Ms. Ranjana C

Faculty Achievement – Conference Paper Presentation and Seminar Participation

Ms. Resmi S.R

Ms. Resmi S. R., Assistant Professor, Department of MCA, presented a **research paper** titled “**AI-Driven Personalized Learning Through Gamification for Sustainable Development**” at the International Conference on Innovations on Sustainable Future: Bridging Science, Society and Policy, held at St. Mary’s College, Puthanangadi, Kerala, on 17 October 2025.

She also attended a **One-Day National Seminar on “Artificial Intelligence for Next-Generation Education and Research”**, organized by Arulmigu Palaniandavar Arts and Science College for Women, on 13 October 2025. Her participation reflects her active engagement in research and continuous professional development in emerging areas of Artificial Intelligence and education.
